Medical Check-up :-

Eye Checkup Camp

This is a proud moment for Indo American Public School, as we have become the Brand Ambassador School-for Road Safety. The Aadhar foundation and 94.3 My FM channel Collaborated to arrange four days (21 June to 24 June) of road safety awareness campaign. The theme of this campaign was 'Change of Behaviour'. Awareness activities were arranged on road for youth to reduce road accident. For this purpose, the students of IAPS played an active role to create road safety awareness among people on the road.

We all know that health is the greatest of human beings so IAPS has conducted a medical check-up camp under the supervision of our honourable patron Dr. Kiran Harpavat (MD, Fellow American Academy of Pediatrics) assisted by the team of doctors provided by Udaipur district reproductive child health officer Dr Ashok Aditya. In addition to this regular height, weight and chest measurement have been recorded for all the students in the beginning of the year.

In order to ensure the quality of education and to promote self-improvement, CBSE has created Hub of learning for the schools, and our school has been selected as the lead collaborator for 7 more CBSE schools. The main aim of this collaborative partnership between schools is to create an ecosystem for the schools to effectively take up all round self-improvement for various activities like Academic Collaboration, Resource Sharing, teaching system reforms etc. IAPS has selected the lead collaborator school for the second time by the CBSE.
