

INDO AMERICAN PUBLIC SCHOOL

ANNUAL REPORT 2023-24

- Indo American public school is a unique institution designed to cultivate the character of the students and assist them on improving the quality of education through innovation and achieving excellence
- " What we call the beginning is often the end. And to make an end is to make a beginning. The end is where we start from."

MILE STONE 2023-24

- This report showcases the achievements and glories of our school, session 2023-24. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of child personality. Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great. The school is committed to provide well planned curricular activities with high motivational spirit.

Infrastructure Development

- We have started school Application (**ERP**) for proper communication with parents. School Application keeping ourselves up with the pace of the modern world, complete digitization of the school was undertaken which transformed the entire school chores through the Information Technology, bringing in more transparency and enhanced communication with parents and community, having the school completely digitized has numerous advantages to the parents, teachers and the school itself. Parents can keep a real time track of the status of their child for Daily attendance, Fee status, Periodic Results, School circulars and News, etc. through the School App on android. As GPS units provide far more than just directional navigation; GPS units also capture telematics data. When attached to school buses, fleet management becomes easier.

Digital library

- We have digital library in school where our students access information in an easier and quicker way.

Coding and Robotic lab

- We have **Coding and Robotic lab** to help our students to gain a competitive edge in their schooling and future careers. Aside from providing skills, robotics and coding also foster creativity, problem-solving, and collaboration.
- Our students participated in Unnati – A project of Rajasthan government and secured 2 position at District level.

Maths Lab

- We have maths lab where we provide opportunities to students of different ability groups in developing their skills of explaining and logical reasoning, with the help of geometrical shapes and models .

E- Learning

- We have introduced E-learning to make education more personalized, interactive, and accessible, leading to improved learning outcomes and engagement.
- Students can access their course material whenever they want.

Parents meeting

- A webinar for the parents on stress management with special emphasis on dealing with exam stress were organized and maximum parents attended the program.
- To have a good impact in academics, the school took the initiative of a Pre-exam parent teacher meet. Parent orientation program was organized for the awareness of the students.
- To develop full faith in school, Problem solving sessions were conducted for the parents at Parsad and Nai because without the cooperation of parents a child's progress cannot be achieved which showed a positive impact on students.
-
- This report is a sincere attempt to showcase our progress in terms of achievements and activities during the months of July to September. Many milestones have been achieved and many still have to be reached. We will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education.
- In the end
- " Don't tell us sky's the limit when there are footprints on the moon"!

Awards

Winning award is always an exciting achievement. It's the biggest proud moment that IAPS has received an academic excellence award from Education minister for best innovation in Education in Udaipur region. It was organized by Dainik Bhaskar.
